## Directors' Report

---

The Directors (who are also trustees of the charitable company for the purposes of charity law) have pleasure in presenting their report and the audited financial statements of the charity (also referred to as the Trust and the Charitable Company) for the year to 31 December 2019. The information on page 1 forms part of this report.

### *Structure, governance and management*

#### Governance

Postcode Animal Trust is a company limited by guarantee, constituted by the Memorandum and Articles of Association and is governed by its elected Directors. New Directors are elected at twice yearly meetings and a Director shall hold office for a maximum period of four years from the date of appointment and shall then retire. Such person shall not again be appointed as a Director unless the Directors resolve that there are exceptional circumstances in that such individual possesses specific or unique skills and expertise, experience or ability of significant value to the Company. In such circumstances, a retiring Director may, if willing to act, be re-appointed by the Directors for a second and final term of a maximum of four years and shall at the end of that second term retire altogether so that no Director shall hold office as Director for more than eight years in total.

No person shall be appointed or re-appointed as Director at any general meeting unless:

- he/she is recommended by the Directors; or
- not less than fourteen or more than thirty-five clear days before the date appointed for the meeting, notice executed by a member qualified to vote at the meeting has been given to the Company of the intention to propose that person for appointment or re-appointment together with notice executed by that person of his willingness to be appointed or reappointed.
- not less than seven nor more than twenty-eight clear days before the date appointed for holding a general meeting notice shall be given to all who are entitled to receive notice of the meeting of any person who is recommended by the Directors for appointment or re-appointment as a Director at the meeting or in respect of whom notice has been duly given to the Company of the intention to propose him at the meeting for appointment or re-appointment as a Director. The notice shall give the particulars of that person which would, if he were so appointed or re-appointed, be required to be included in the Company's register of Directors.
- the Company may by Ordinary Resolution appoint a person who is willing to act to be a Director either to fill a vacancy or as an additional Director.

# Postcode Animal Trust

## Directors' Report (*continued*)

---

### *Structure, governance and management (continued)*

- the Directors may appoint a person who is willing to be a Director, either to fill a vacancy or as an additional Director, provided the appointment does not cause the number of Directors to exceed any number fixed by or in accordance with the Articles as the maximum number of Directors.

Unless otherwise determined by ordinary resolution, the number of Directors shall not be subject to any maximum but shall not be less than three. The Board of Directors shall at all times comprise a majority of non-remunerated Directors.

### Directors' induction and training

Directors receive an induction handbook covering all relevant policies, procedures and any other relevant information. They also have the opportunity for yearly training and continued professional development.

### Directors' responsibilities

The Directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Accounting Standards, Comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law (United Kingdom Generally Accepted Accounting Practice). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period.

In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Statement of Recommended Practice: Accounting and Reporting by Charities (2015);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards, comprising FRS 102, have been followed, subject to any material departures disclosed and explained in the financial statements; and,

# Postcode Animal Trust

## Directors' Report (*continued*)

---

### *Structure, governance and management (continued)*

- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue to operate.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements

comply with the Companies Act 2006 and the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Directors are responsible for the maintenance and integrity of the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

### Risk management

The Directors have a risk management strategy which comprises:

- evaluation and review of risks to the Trust and its External Lottery Manager (ELM) at each Audit & Risk Committee meeting, and full Board meeting against the Risk Register;
- the Risk Register will be managed on a day-to-day basis by the Trust executive management team and they will establish systems and procedures to mitigate these risks;
- in the event of a risk rising above 'high' the Directors must implement procedures to manage any potential impact.

This strategy has identified the following key risks:

- Risk of the Government changing the law in relation to Society Lotteries. A review of the law relating to Society Lotteries is on-going, and both Directors and the Trust executive management team keep up to date with any information in relation to this.
- Risk of losing Gambling Licence due to non-compliance with the Gambling Commission Licence Conditions and Code of Practice. Again, this is managed by adhering closely to the LCCP and being aware of anticipated changes to guidance and keeping abreast of industry best practice.

# Postcode Animal Trust

## Directors' Report *(continued)*

---

### *Structure, governance and management (continued)*

- Risk of dependence on one source of income and this income being lost. If the income were to reduce, this would be on a gradual basis. The Trust executive management team receive daily reports regarding ticket sales, so would be aware of any issues very quickly and these would be communicated to Directors.

### Management

The business of Postcode Animal Trust is managed by the Directors who exercise all the powers of the Company. No alteration of the memorandum or articles and no such direction shall invalidate any prior act of the Directors. The Directors ultimately decide the procedures for selection of projects and

the amounts of grants involved. Directors meet formally twice a year. These are chaired and fully minuted to discuss and decide the following:

- Management of the Trust's Society Lottery, including social responsibility and current management by the Trust's External Lottery Manager
- Applications received
- Outcomes of completed projects
- Progress of current funding
- New funding streams/programmes
- Review of finances
- Review of risk register
- Any other business

The Directors of Postcode Animal Trust engage Postcode Lottery Limited (who operate under brand name People's Postcode Lottery) as their external lottery manager.

The Trust engaged MacRoberts LLP as its solicitor to use in all cases where legal services are required.

### Staff structure

The Board of Directors appointed an Executive Manager of Postcode Animal Trust to oversee the day-to-day administration of the Trust. The Executive Manager is responsible for strategy advice and the day-to-day operations of Postcode Animal Trust. The Manager appointed the Trust team to undertake day-to-day activities including the following:

# Postcode Animal Trust

## Directors' Report *(continued)*

---

### *Structure, governance and management (continued)*

- Screening of all funding proposals;
- Assessing complete applications and providing short summaries for the Directors to make decisions;
- Management of Director meetings including consultation of Directors where desirable or needed;
- Management of marketing/communication on behalf of the Trust including websites, newsletters, publicity etc.

The Directors also appointed a Trust Finance Manager to take responsibility for the financial management for Postcode Animal Trust including the following:

- Management of the bank account which will receive payments direct from Postcode Lottery Limited;
- Monthly financial updates including income position, breakdown of costs, and awards made;
- Making payments to recipient projects;
- Reporting of lottery proceeds to Gambling Commission

As part of services provided as outlined in the Services Agreement that exists between the Trust and Postcode Lottery Limited, staff mentioned above are employed by Postcode Lottery Limited. Salaries for key management personnel are determined by the Directors of Postcode Lottery Limited.

### *Objectives and activities*

Postcode Animal Trust is solely funded by the proceeds of its society lottery and awards grants to good causes and charities. Postcode Animal Trust supports charities that are educating, supporting and promoting animal welfare and conservation, and demonstrating positive enjoyment that animals bring to people's lives.

Postcode Animal Trust operates its own society lottery which is regulated by the Gambling Commission under certificate 000-034847-N-316481 and 000-034847-R-316480. The Trust engages Postcode Lottery Limited (PLL), trading as People's Postcode Lottery, as its External Lottery Manager.

### Grant making policies

The trust team research a selection of potential grant beneficiaries with aims in line with the objects of the Trust, the current business plan and budget. This selection is presented to the Directors, who

# Postcode Animal Trust

## Directors' Report *(continued)*

---

### *Objectives and activities (continued)*

make recommendations to invite charities to apply. Once applications are received, the Directors make a final decision of who to support.

### *Achievements and performance*

In 2019 we were able to fund six charities working in Britain and internationally.

These were:

- Battersea
- Marine Conservation Society
- Medical Detection Dogs
- Riding for the Disabled
- TRAFFIC
- Wildfowl and Wetlands Trust

### Case Study: Medical Detection Dogs

Postcode Animal Trust provides funding to Medical Detection Dogs, and Louise, a client of Medical Detection Dogs tells her story below:

The missing piece of her jigsaw is how Louise describes her Medical Alert Assistant Dog, 2-year-old Labrador Mercedes. Louise is liable to faint without warning at any time because she suffers from Postural Tachycardia Syndrome, known as PoTS for short.

Although not convinced that she was unwell enough to be considered for a Medical Detection Dog, she felt she had nothing to lose from applying for help. 'I was really surprised to be invited to an awareness day. Following an interview, I was told I could come to a handling day', says Louise. 'It felt surreal'. However, the journey Louise began with MDD was not to be straightforward. The first dog match was unsuccessful and the second dog she was matched with unfortunately developed allergies and had to withdraw from the programme. However, it was to be third time lucky with Mercedes, who Louise describes as both her companion and partner in crime. 'She is someone I can look after and she does the same in return. She is like my shadow and we do everything together'. Fate intervened again when Louise developed breast cancer. She describes the support she received from the charity through this difficult period as 'fantastic'. Mercedes gave her something to focus on whilst having surgery and treatment. 'It feels like I not only have a superhero dog but a family in Medical Detection Dogs', she says. When Mercedes alerts Louise she has time to sit or lie down, wherever she is, without

# Postcode Animal Trust

## Directors' Report *(continued)*

---

### *Achievements and performance (continued)*

risk of injury and because Mercedes is clearly identifiable as an Assistance Dog, she acts as a visual aid to strangers. 'With her by my side I have been able to go out longer alone and to different places. She has given me my confidence back. I am no longer bothered about embarrassing myself and my family are less worried about me'. Louise is now able to go to the gym unsupervised, use public transport and be a lot more sociable. She describes Mercedes as a dog version of herself. 'We tend to mirror each other and are usually tired or have energy at the same time. Even on down days, I have to walk her which perks me up. Just being around her makes me smile'.

### *Financial review*

All funds received from proceeds of People's Postcode Lottery relating to Postcode Animal Trust have been included in the financial statements. This amounted to £9.13m (2018: £9.18m). Of this, and included in expenditure on raising funds, 40%: £3.65m (2018: £3.67m) is given out as prizes and 28%: £2.56m (2018: £2.57m) is retained by our External Lottery Manager which is Postcode Lottery Limited. The remaining 32%: £2.92m (2018: £2.94m) is managed by Postcode Animal Trust. Postcode Animal Trust promoted five draws during 2019 (2018: three draws).

£2.75m (2018: £3.03m) was given out in grants for charitable activities in the year with £59.8k (2018: £52.3k) of costs to support these activities. Of this, £5.6k (2018: £6.3k) was included in Governance Costs.

Directors consider new beneficiaries of funds regularly, depending on the level of funds forecast to be received in the year.

### *Reserves Policy*

As a company limited by guarantee with no fixed assets, reserves are set according to budgeted income and against obligations for continuous funding for supported charities. It is intended to mitigate against uncertainty relating to cash flow, to ensure that there are sufficient reserves to cover any financial shortfalls, to react to unexpected situations, to protect the Trust's activities if expected income is not received and to retain continuity in relation to expected grant awards.

The Trust's sole income is generated by its society lottery operated by its External Lottery Manager, People's Postcode Lottery.

We aim to hold financial reserves at a maximum of £500,000, and a minimum of £250,000 within general funds. We acknowledge that from time to time the Trust's funding strategies and activities

# Postcode Animal Trust

## Directors' Report *(continued)*

---

### *Reserves Policy (continued)*

may require the Trust's reserves to exceed the maximum level or fall below the minimum level noted. If this position continues for an extended period, the Directors will revisit and potentially revise this policy.

At 31 December 2019, reserves were at £503,757. Of this, general reserves were £253,757. This is a decrease in general reserves of £109,127 from the prior year. This level is adequate to cover day-to-day expenditure and a proportion of this will be allocated to fund awards in 2020.

### *Plans for future periods*

We envisage funding all the supported charities again at a similar level to 2019, where funds allow.

The current Covid-19 public health crisis creates significant uncertainty for the world economy. With having a single source of income, the Directors remain confident in the resilience of the subscription model of People's Postcode Lottery to protect the Trust income. In the event of a substantial change in circumstances significantly reducing revenue, the Trust holds sufficient cash reserves to ensure it can continue operations for the foreseeable future.

### *Statement of disclosure of information to auditors*

So far as each of the Directors at the date of this report is aware, there is no relevant audit information of which the charity's auditors are unaware. Each Director has taken all the steps that he/she ought to have taken as a Director in order to make himself/herself aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

The report was prepared in accordance with the special provisions of the Companies Act relating to small companies.

The financial statements on pages 14 to 24 were approved by the directors on 21<sup>st</sup> September 2020 and signed on its behalf by:

Francis Fletcher

## Independent auditors' report to the members and trustees of Postcode Animal Trust

### Report on the audit of the financial statements

---

#### Opinion

In our opinion, Postcode Animal Trust's (the "charitable company") financial statements (the "financial statements"):

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2019 and of its incoming resources and application of resources, including its income and expenditure, and cash flows, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and regulations 8 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

We have audited the financial statements, included within the Directors' Report (the "Directors' Report"), which comprise: the balance sheet as at 31 December 2019; the statement of financial activities (including income and expenditure account) and the statement of cash flows for the year then ended; the accounting policies; and the notes to the financial statements.

---

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Independence

We remained independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements.

# Postcode Animal Trust

## Independent auditors' report to the members and trustees of Postcode Animal Trust *(continued)*

---

### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which ISAs (UK) require us to report to you when:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the charitable company's ability to continue as a going concern.

---

### Reporting on other information

The other information comprises all of the information in the Directors' report other than the financial statements and our auditors' report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Director's report, we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on the responsibilities described above and our work undertaken in the course of the audit, ISAs (UK) require us also to report certain opinions and matters as described below.

# Postcode Animal Trust

## Independent auditors' report to the members and trustees of Postcode Animal Trust *(continued)*

### *Directors' Report*

In our opinion, based on the work undertaken in the course of the audit the information given in the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and the Directors' report have been prepared in accordance with applicable legal requirements.

In addition, in light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we are required to report if we have identified any material misstatements in the Director's report. We have nothing to report in this respect.

---

### *Responsibilities for the financial statements and the audit*

#### *Responsibilities of the trustees for the financial statements*

As explained more fully in the Directors' Responsibilities set out on page 3, the trustees are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The trustees are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

#### *Auditors' responsibilities for the audit of the financial statements*

We have been appointed as auditors under section 44(1) of the Charities and Trustee Investment (Scotland) Act 2005 and under the Companies Act 2006 and report in accordance with the Acts and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditors' report.

# Postcode Animal Trust

## Independent auditors' report to the members and trustees of Postcode Animal Trust *(continued)*

### *Use of this report*

This report, including the opinions, has been prepared for and only for the charity's members and trustees as a body in accordance with section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and the Companies Act 2006 and regulations made under those Acts (regulation 10 of the Charities Accounts (Scotland) Regulations 2006 (as amended) and Chapter 3 of Part 16 of the Companies Act 2006) and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

---

## Other required reporting

---

### *Matters on which we are required to report by exception*

Under the Companies Act 2006 and the Charities Accounts (Scotland) Regulations 2006 (as amended) we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate and proper accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

---

### *Entitlement to exemptions*

Under the Companies Act 2006 we are required to report to you if, in our opinion, the trustees were not entitled to: prepare financial statements in accordance with the small companies' regime; take advantage of the small companies' exemption in preparing the Directors' Report; and take advantage of the small companies exemption from preparing a Strategic Report. We have no exceptions to report arising from this responsibility.

## Notes to the financial statements

---

### 1 Accounting policies

A summary of principal accounting policies, all of which have been applied consistently throughout the year is set out below.

#### Statement of Compliance

The financial statements of Postcode Animal Trust have been prepared in compliance with United Kingdom Accounting Standards, including Financial Reporting Standard 102, "The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland" ("FRS 102"), the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to Charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

#### Basis of Preparation

The financial statements have been prepared on a going concern basis in accordance with applicable accounting standards and under the historical cost convention. The charity is a Public Benefit Entity and a company limited by guarantee, incorporated in Scotland with the registered office as noted on page 1.

#### Going concern

These financial statements have been prepared on the going concern basis which assumes that the charity will continue its operations. The current Covid-19 public health crisis creates significant uncertainty for the world economy. With having a single source of income, the Directors remain confident in the resilience of the subscription model of People's Postcode Lottery to protect the Trust income. In the event of a substantial change in circumstances significantly reducing revenue, the Trust holds sufficient cash reserves to ensure it can continue operations for the foreseeable future. The Directors consider it appropriate to prepare financial statements on a going concern basis.

## Notes to the financial statements *(continued)*

---

### 1 Accounting policies *(continued)*

#### Income

Income is recognised when the charity has entitlement to the funds, when it is probable that the income will be received, and the amount can be measured reliably. Donations, legacies and similar incoming resources are included in the period in which they are receivable, which is when the charity becomes entitled to the resource. Income from other trading activities include gross proceeds from the sale of Lottery tickets before deduction of up to 40% of proceeds for prizes and up to 30% for operations costs.

#### Expenditure

All expenditure is included on an accruals basis and is recognised when there is a legal or constructive obligation to pay for expenditure. All costs have been directly attributed to one of the functional categories of expenditure in the statement of financial activities.

#### Grants payable

One-year grants awarded are recognised in full in the year in which they are approved. Where the grant covers multiple years, the remaining year amounts are recognised as a designated fund.

#### Expenditure on raising funds

The cost of raising funds consists of direct expenditure including prize monies as well as operational costs including marketing and PR.

#### Cash

Cash at bank and in hand includes cash and highly liquid short-term investments with a maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

---

### 1 Accounting policies *(continued)*

#### Debtors

Other debtors are recognised at the settlement amount due. Prepayments are valued at the amount prepaid net of any trade discounts due.

#### Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in a transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

#### Financial instruments

The Trust only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

#### Fund accounting

Unrestricted funds are available for use at the discretion of the Directors in furtherance of the general objectives of the charity.

Designated funds are unrestricted funds earmarked by the Directors for particular purposes.
